To all the Supporters: Individuals, Children of School, Congregations who are supporting the ministry of the Good Shepherd Evangelical Lutheran Church and the Student's Adoption:

Grace and Peace to you from God our Lord and Savior Jesus Christ!

I want to address myself to all of you, dear Brothers, Sisters and Friends in Christ. First of all, I am at home now. I miss you all. Needless to say that I enjoyed the time/moments we went together in various areas of Indiana. My trips are always a blessing for the ministry down here. But this time the trip I have made to Indiana, visiting, talking and making presentation cannot be compared to none of the others.

The vehicle is purchased, a laptop, a digital camera and so on. It is really difficult for me to find the right word allowing me to express my thanks and gratitude to all the supporters. First of all, I want to thank the children of the different schools for collecting money for the car; a special thank to the children of the sixth grade of the school "Lutheran Central" for their contribution to the purchase of my computer. You are all thanked because you have contributed to the progress of the work either via your prayers or your financial support. You will soon receive the pictures of the car.

Thank you so much for your continuing support concerning the "Student Adoption". With your contribution our three-month debts will be almost taken care. It was very difficult for me to have meeting with the teachers because they were not paid. But now I feel very open with them and they are very happy. Thank you much for taking away most of my stress. Your work is not vain in the Lord.

This is just to let you know that I am home and thankful to all of you for the blessings you have shared with me. In my future letter which will come the coming December I will tell more about the work and the progress that we are making.
